Flood Appeal

The March 2021 floods in the southern part of the Diocese of Lismore have had a devastating impact on residents and farmers.

I am launching a flood appeal, and am kindly calling on your support.

The Diocese has already contributed \$10 000 towards hay for affected farmers and in addition we will give financial and practical support in the Diocese.

If you are able to, please consider a donation to the Appeal.

With prayers and good wishes,

+ *Greg*
